

Hello, Sherry & Ralph! How are you?

Now, I have good chance to go to there again.

On coming May 8 & 9th I will be able to be BGM. by Grayhound Bus from N.Y. ~~to~~.

My company decided to dispatch me to London from April 30 to May 7, on my way to go to Tokyo. I will be able to go to N.Y., Los Angeles, San Francisco also, Binghamton for looking Video studio & Post production Studio.

AND I need your HELP again when I come U.S.A. Could you give me the almost same letter which I offered it to immigration office.

I am little bit tired this kind of Business. and, ~~after~~ any way I must do it, and keep permanent Residence Visa for Our Video.

I will leave Tokyo April 30 to London. If you want to have something, I can do it. Give me letter.

Sincerely Shuya Abe
